# Announcement . . .

This is the catalog for the 34th Semi-Annual Sale of the Northwest Missouri Shorthorn Breeders Association, which means the Association has been active for approximately twenty years. For the most part, our sales have been quite successful and we have sold a lot of good cattle. There has always been a lot of interest in the sales, and the cattle, without exception, have proved satisfactory to the buyer. They are sold under a good guarantee, but to my knowledge, I know of no cattle that were not satisfactory.

The cattle herein listed, I believe, will compare favorably with any of the offerings in recent years. The bulls are good ages and there are 27 horned bulls and 3 polled bulls. All but three of the females either have calves at foot or are well along in calf, which makes them the "close to profit" kind.

Some very outstanding herd bulls have been added by members of the Association in the past year. William Hartman bought the State Sale Champion, S. F. Adonis, from Schreiber Farms, and he is siring nice calves. White Cloud Farms bought an excellent young bull from Vaughn Moore out of an imported sire and dam. Homer Ogden and Arthur Hartman recently bought the Iowa Royal reserve champion bull from Johnson Bros., Atlantic, Iowa. The bulls name is Marshall Bomber, and he is an outstanding bull. Andes Bros. are using the American Royal Grand Champion bull, W. L. Conquest, sired by Bapton Constructor. The calves by him are wonderful.

We hope you can come to the sale. It will pay you to be present.

# General Information

**LOCATION**—The sale will be held at the Maryville Auction Co. Sale Barn on Highway 71, south part of Maryville, Missouri, on Monday, March 27, 1961. Sale at 12:30 p.m. There will be no show.

**TERMS**—The terms of the sale are cash unless other arrangements are made in advance with the consignors from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off.

**GUARANTEE**—All cattle sold are tested for tuberculosis within thirty days of sale and are vaccinated or tested for Bang's, and a health certificate will be furnished.

Bulls are guaranteed breeders if properly cared for and not allowed to serve under fourteen months old or allowed to run with the herd under two years old. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and heifers over sixteen months of age at the time of the sale are guaranteed breeders. Heifers are not to be served by a heavy or old bull.

If any bull or female as above specified fails to breed, it may be returned to seller if in as good condition as when sold, and if after testing in the seller's herd it proves to be a non-breeder, it may be replaced or the purchase price refunded. Neither buyer nor seller is to make any charges for feed or care, and transportation charges are to be born by the purchaser.

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. Neither the sale manager nor the clerk of the sale assumes any liability, legal or otherwise.

A certificate of registry and a recorded transfer will be furnished for each lot sold, and for each calf at foot, and an application for registry will be furnished for each unborn calf sold in dam.

If you do not receive your pedigree or calf application within three (3) months, please notify the seller or the sale manager.

Where footnotes appear in this catalog, they are furnished by the consignor or written from information supplied by the consignor.

We shall not be responsible for any accidents that may occur, but we shall make every effort to provide for the safety and comfort of our guests.

**BIDS**—Those wishing to buy who cannot be present, may send bids to Mervin F. Aegeter, Shorthorn World; Ted Aegeter, American Shorthorn Breeders' Association, or to Mark Dempsey, Missouri Ruralist.
